Registration opens at 11:00 a.m.
Free Event, Rain or Shine

Join GreenThumb for our annual celebration that honors thousands of community gardeners and greening professionals across New York City for their work during the season and gives them the opportunity to show off their harvests!

Join us as we celebrate the close out of the growing season. Activities for all ages include:

- Harvest Fair Contest
- Workshops
- Recreation Play Mobile
- Zumba
- Puppet Making
- Raffle Prizes
- Cooking Demos
- Decorate a vegetable
- Live Entertainment and more!

Gardeners Recognition Award
These awards will highlight the exceptional achievements of groups and community gardeners throughout the city who have done extraordinary things, bringing people together around local food and farming, healthy stewardship of open space and caring for the planet.

2nd Annual GreenThumb Fresh Chef Contest
Do you have what it takes to be GreenThumb’s Fresh Chef? It will challenge 20 community members to create their most delicious and nutritious dish with local and healthy ingredients, and conclude with a panel of VIP Chefs crowning the new Fresh Chefs! Prizes will be given to the winners. All participants will receive a chef hat and apron. Registration is required at greenthumbnyc.org or call (212) 602-5300. Registration will close when the contest has reached capacity.

Healthy Trees

GreenThumb

Join us for a walk through the Lower East Side’s historic community gardens to look at trees and learn how to successfully cultivate garden and street trees. This workshop will discuss multiple topics including tree identification, choosing the right tree for the right site, and how the palette of street trees is selected for its tolerance of rough urban conditions, as well as ways to keep your trees healthy and vigorous. We will explore the ornamental features of selected exotic and native species and touch on cultural practices such as the pruning, mulching, and watering and cultural requirement, such as certain trees being salt-, drought-, pollution-, and compaction-tolerant. This is a walking tour. The group will leave starting location at 5:45 p.m. Presented in partnership with Ronen Gamil.
